Desire is the first step towards success

Q4 - JOURNALING PAGE

*I have an idea of who I want to be; I have a vision of my own success. –
WIZ KHALIFA*

Describe what kind of person you'll become if you're successful in making your vision a reality. How will this "future you" benefit others? List all of the reasons why you know you can do this. Then, list five actions you'll take toward making this idea a reality.

Reminder! Also write down the top three concepts you found to be particularly impactful in this lesson. Be sure to include your thoughts about how you're going to benefit from your progress. Reflect on how you think about yourself or your business, and how you have understood the power of what you do up to now. Write about the changes you will experience in knowing who you are and where you want to go.
